UNCLE ETHAN SAYS ALL THIS TALK OF THE TIPPING EVIL IS PIFFLE

U. S. INTENDS TO STOP SMUGGLING

LOS ANGELES, Cal., July 13.—Determined to break up the traffic in contraband Chinese along the coast, a party of immigration officials left Long Beach early today in the fast power-boat *Thirum*, presumably for

San Clemente island.

The movements of the officers were kept secret, as they left before day-break, but it was learned that they took a heavy supply of arms, ammunition and provisions.

Reports were received by immigration officials yesterday that a number of smuggled Chinese had been abandoned on the island, where twenty-two

of their number and two alleged smugglers were captured several days ago.

It was reported also that another shipment of contraband Chinese had left Ensenada, Lower California, a few days ago, and the belief was expressed that the officials intended to intercept them before they could land.

HOME RULERS

(Continued from Page 1)

its utmost capacity during the previous conventions of the Home Rule Party, was not crowded this morning when President Notley called for order. There were about 50 staunch Home Rulers present; but they made things move.

With the exception of roll-call and examination of the credentials of the delegates from Maui, Hawaii and Oahu, no important action was taken this morning. During the early part of the convention the aged Home Ruler, who still believe in the monarchic form of government, sang "Kuu Aina Honau E" with vim and enthusiasm. After that D. Kalaokalani, Sr., vice-president of the Home Rule party, offered invocation.

Afternoon Session.
At 2 o'clock this afternoon, important matters will be brought up for discussion. D. Kalaokalani, Sr., who joined the Progressive party, may be asked by some of the delegates to explain his reasons for affiliating himself with a new party.

Notley Silent.
President Notley, when asked this morning about his views as to Kalaokalani's attitude in the matter, said that any man has a perfect right to affiliate with any political party.

"It is the man's prerogative," said the genial Home Rule leader, "to affiliate with a party which he thinks will benefit him politically or otherwise."

Luau.
Late this afternoon the Home Rule delegates were guests of Pres. Notley at an elaborate luau prepared in the mauka room.

This evening, it is expected, a mass meeting of the Home Rule party will be given in Notley Hall.

The delegates present were: J. Annie, W. N. Kauhupaula, S. W. Kamekone, A. E. Hiwauli, Louis Kama, Napoliona Puanui, Jno. Kamaana, Kopa Kanalamana, R. N. Kama-kahukilani, K. N. Opanaku, Jack Kamahe, Jno. Kahalewai, A. W. Paoo, A. M. Meekapu, D. Kaona, Wm. Kaulaburn, Jno. Kamanuwai, Jno. A. Baker, G. M. Keona, Robt. Kubulilili, G. Kaminakaole, Wm. Kahelieia, T. C. Polikapu, David Aia, K. Paakaula, Kamaikane, D. W. David Haleua, Sam. Kamaieu, Henry Kealoha, John Kaimi, Ikeole, H. P. Malulani, K. Kamaana, Jno. P. Kuoha, Moses Kamaiani.

Party Twelve Years Old.

The Home Rule party was organized in 1900, shortly after the amalgamation of the Ahui Kalalaina and Ahaihi Alpha Aina. The late R. W. Wilcox was the first Delegate to Congress. He was the Home Rule candidate who carried victory on election day. Since his death in 1903, Chas. K. Notley has been his successor. It is believed that Notley will receive the nomination in the convention of the Home Rule party this afternoon.

OAHU COLLEGE'S SPLENDID YEAR

(Continued from Page 1)

The College Hills tract. Last January the balance of the lots were sold to the Trent Trust Company. The statement is from the beginning of 1900, when the trustees voted to convert what was then a cow pasture into residence property. In March, 1901, an auction sale gave the tract a fine send-off.

The college had to put in the water-works and bear the expense of putting the Rapid Transit through, the latter item alone costing \$17,557.38. The expense of preparing the property for sale were \$70,222.84. Other expenses brought the total up to \$94,006.78. Two hundred and thirty-seven lots were sold for \$285,290, and small profits on gravel brought the total to \$286,158. A net profit on the lots of \$192,152.02 is shown, or 67.2 per cent. profit on this real estate investment.

Island investments of the college are given as \$473,436.83. Many changes in notes and bonds have been made during the year. Dividends from stocks have made \$15,484.50 for the institution, one O. R. & L. stock dividend totaling \$10,600. Stocks to the value of \$80,617.06 are held, the market value being in reality \$102,900, showing what good investments these have been. Total receipts from investments were \$41,239.58.

The total endowment account is \$432,675, on which 9.5 per cent. profit has been made. The U. S. endowment fund is \$149,731.

A substantial gain on the loss and gain account is due largely, it is stated, to the new buildings donated wholly or in part by friends of the college. The C. M. Cooke family gave the Cooke art gallery, costing \$18,500.32. Charles R. Bishop Hall annex, given by friends of the institution, cost \$27,905.61.

The new Castle Hall, for which the contract is let, is to cost \$82,861, and with architects' fees, \$87,781. On hand for this building there is \$49,642.59. An amount, it is stated, of \$25,000 is to be received from the Castle estate, leaving \$25,000 to be provided for from donations.

Treasurer Jones closes the first part of his report with recommendations as to insurance, fire protection, and other matters. The second part of the report is a complete statement in figures of the finances up to date in which every item is clearly shown.

Notwithstanding the fine record made by Punahou, it still is lacking in sufficient room and accommodations for the many pupils who desire to attend. The alumni are now raising \$100,000 for a new gymnasium, and Mr. Jones said this morning that \$100,000 more is needed for improvements that at present the trustees would like to make but can not.

Maintaining A Standard

There are different makes of clothes on the market, but we know that the BENJAMIN are the best, and that they maintain the standard for high-class clothing. BENJAMIN clothes rank first among them. We never had a single complaint about this make of men's clothes, and when a man once wears a BENJAMIN he becomes a permanent customer.
